## THE TEAM

---

The portfolios of Felix Fischer and Michelangelo Marengo distinguish them not only as outstanding international Educators, but as contemporary hair-fashion stylists involved in advertising campaigns, photo shoots and catwalk collections.

While their Seminars focus on traditional theory and practice, Felix and Michelangelo also encourage creativity and the development of innovative techniques, which can be applied in the salon or the studio.

P R E S E N T A T I O N by Mark Stapleton (in English)

IN BETWEEN THE SHEETS DURATION 3-4 HRS PARTICIPANTS 30 MAXIMUM

Mark has been the international Editor and Creative Director of the Hair & Fashion Magazines AND MEN, NOI.SE and HIGHLIGHTS for more than 20 years.

This presentation has been designed to inspire and prepare hairstylists to enhance their expertise and appreciation of fashion (which includes hair and beauty), and through photography develop not only their individual creativity, but the success of their salon.

Mark will discuss the 'How, Why and When' of organising a photo shoot, budgeting, creating concepts and mood-boards, do-s and don't-s, understanding the language of photography and the dynamics of the studio - and how to get published!

A successful shoot will combine 'Art and Commerce' so that you can publish your pictures, win awards and increase your business and clientele.

*We recommend that you attend this presentation before going into the studio.*
